**Re: City Week – The UK International Financial Services Forum  
20<sup>th</sup> – 22<sup>nd</sup> September 2010, London**

We are writing to you in our capacity as patrons of City Week with a personal invitation to attend this important forum. Attendance, which is by invitation only, is free of charge for our guests.

City Week is being organised in association with TheCityUK's Overseas Promotion Committee, and with the support of UK Trade and Investment, The City of London Corporation and British Expertise. Both the UK Government and the Opposition fully support City Week, which is being organised and managed by City & Financial.

City Week will be attended by between 800-1,000 high-level representatives drawn from both the users and providers of financial services worldwide. This unique forum will bring together a personally invited audience of senior decision makers to debate the key challenges facing the future of the industry at this critical time, and will comprise three days of exceptional conferences and seminars, formal and informal networking opportunities and exclusive social events. There will also be a major exhibition featuring financial services sector stakeholders.

The enclosed brochure provides further details about City Week.

We very much hope that you will be able to join us in September. However, if you are unable to do so, we would be pleased to accept a colleague of suitable seniority as an alternate.

Yours sincerely,

**Sir Win Bischoff**
